	12/7/2016	Nicole Commerford	WANRack	I came across your 470 for IP and just wanted to ask if there is one also for your WAN? Just wanted to make certain I didn't miss it with all of the 470's being released. Please let me know. Thanks!	12/7/16- We have a 470 for a firewall, and we also have 1 fiber connection and some analog telephone lines we are seeking bids on. 12/12/16-Our 470 has been posted. We will be taking bids on the Louisburg connection for our erate filling. Bids can be sent to Tyler Boggs 309 W. Commercial Buffalo, MO 65622. Please mark Fiber Connection on the outside of the envelope.	Attached is a link to the RFP for our Fiber Connection. Any questions should be sent via email to tyler.boggs@bisonpride.org.
